### Did You Know

How awful it will be if someone, someday, standing before the Judgment Seat, could say of you or me, "How I wish she had shared her faith with me." Or, "If only he had prayed for me!" How terrible if some neighbor, fellow worker, or family member, on looking back, could say, "I saw him every days and he never warned me or told me about Christ!" How different would our lives be if we understood that God has placed in our circle of influence souls, precious souls soon either to rise to heaven or fall into hell! Hasn't God, in a sense, given us these souls? Haven't they been put in our lives so that we can be salt and light for them? Let's earnestly beg the Father of mercies to help us grasp this awesome opportunity and give us a sense of urgency for the people He has given us. Richard Kirby
