**YOUTH SURVIVE SUMMER RETREAT & SO DO I**

I hope all enjoyed the retreat to Helen and then back to our house. For those of you who didn't get to go you really missed a good time. We spent Friday just relaxing, yeah right, down the subzero river, some-time walking in the river, and enjoying being one with nature, blah, blah, blah. Well it sounds good. It was more like float, walk, float, drag, splash cold water on someone, run, then float again. Friday night we had a DEVO and practice in one of the hotel rooms. For some reason having so many people in such a small space can be uplifting and a really good time. Midnight was lights out, another yeah right. Saturday we had a quiet lunch at the Varsity with a few thou-

sand of our closest friends. Then off we went to our house. Where there was playing and frolicking in the pool all day until about 12:30am. Oh we did stop long enough to eat BBQ and have a DEVO and practice. After all this we still managed to get up Sunday morning and lead the BEST worship service since I've been at Newnan. Of course this is my opinion and YES I am biased. If this sound like we got little sleep, had a lot of fun, and grew just a little closer together, then you understand correctly.

After all this, I would still do it again. Ready?

**Thanks to all youth**

Thank you to all of our youth for a great service last Sunday morning. I have received numerous emails stating that you guys and girls did a wonderful job. As I told you on Wednesday we are going to make a youth lead worship service a more routine thing. We will be conducting , if that's the word to use, Sunday service about every 5-6 weeks. Many people have complemented you guys on the entire service. Singing was great, drama was out of this world, and the whole service really moved us all. We will begin work on our next youth lead service next Wednesday.

**CHANGES TO OUR FRIDAY NIGHT PROGRAM - UPCOMING MEETING**

First, due to the amount of football fanatics in our youth group, including me, we will no longer have Friday night's at the Gas Station. It has been moved to the 1st and 3rd Saturday nights. Some Friday nights we will meet at the church and go watch some

football. We have some of our own youth playing this year. Let's face it, watching Dylan get slammed could be funny.

Our Fall schedule will be out soon as well. We have a lot of things in the works. So there

will be a parent / youth meeting, dinner, etc on Saturday night the 15th. That's one week from this Saturday. We will be meeting to discuss LTC, next summer's mission trip, fund raisers, etc. Dinner will be provided at \$5 per person.
