HEADLINE

THE YOUTH AND THEIR FAMILIES ARE BRINGING BACK WEDNESDAY NIGHT DINNERS.

Beginning Wednesday September 1st, the youth and their families will begin preparing supper on Wednesday nights as part of an ongoing fundraiser for our summer mission trip 2010. We also believe this will be of great service to our family. Each family will be on a rotating schedule with one other family. This should be about a once every 6-8 week schedule. All youth are expected to participate. The cost per person is going to be \$5 each for suppers. Tickets for each Wednesday meal will be available the Sunday prior. We are hoping that this will encourage more participation in our Wednesday nights not just for youth but for all ages. The meal is open to everyone. Why go spend money for supper out somewhere when you can help support the youth of the church and fellowship with others? This also helps to eliminate the hassle of dinner before church on Wednesday nights. We hope that all will participate. Pray for the success of this endeavor.
